Vision and Mission

Our Vision

Skilling youth in full-stack & app development.

Our Mission

To build future-ready tech professionals for the digital world.

Our Service

CODE OF SCHOOL
A VENTURE OF INFORAG TECHNOLOGY

Interactive Lessons

Join live sessions with expert instructors for hands-on, engaging learning.

Flexible Learning

Learn at your own pace with schedules that fit your routine.

Comprehensive Resources

Access well-structured content, real-world projects, and practical tools.

Proficiency Assessments

Track your progress through customized tests aligned with your goals.

Our History

CODE OF SCHOOL
A VENTURE OF INFORAG TECHNOLOGY

2020

Launch

Started online classes to make language learning globally accessible.

2021

Expansion

Expanded reach worldwide, building a strong learner base.

2022

Innovation

Launched offline + online classes with job assistance support.

2023

Global Impact

Borcelle course gained industry recognition and student success.

Placement Overview

CODE OF SCHOOL
A VENTURE OF INFORAG TECHNOLOGY

Uma Chawla
Graphics Designer
7.6 LPA
Qualwebs

Ayush Tripathi
